

The patented **CHANGE ME CURTAIN®** system featuring **ecocurtain** from Bannack Medical revolutionizes hospital privacy curtains with its patented drop-down, one-click technology. Combining innovation with high-end design results in a time-saving, eco-friendly, safe, sanitary, and attractive alternative to traditional hospital privacy curtains.

TOP 10 REASONS THE CHANGE ME CURTAIN® SYSTEM IS RIGHT FOR YOU

1. **The Change Me Curtain® timer** makes it easy to know when curtains need to be replaced which **helps eliminate HAIs and cross contamination.**

2. **Change curtains in 30 seconds or less- no ladder needed.** This means fewer workers comp injuries. Staff will actually *enjoy* changing curtains!

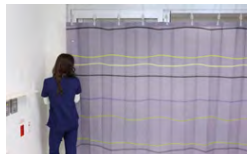

3. Speedy curtain changes mean less disruption for patients and less room downtime.

4. **No more tangled hooks!** Our patented wheel carriage system glides easily and smoothly. Plus, **it can fit on your existing track.**

5. **ecocurtain** disposables (and the hardware) **are the only** ASTM D5511 tested, patent-pending **BIODEGRADABLE**, privacy curtain system. Curtains are non-woven, making them **electrostatic sprayer friendly.**

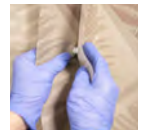

6. For areas that require cloth curtains, we offer a **drop-down, plant-based fabric option** that is engineered to **resist stains and repel liquids.**

7. We work side by side with healthcare design experts to align with industry trends and **provide an array of patterns and colors to fit any environment.**

8. Panels **snap together in seconds** to accommodate any size space.

9. **Save time. Save money.** Disposable privacy curtains can cost less than the overall cost of reusable curtains. Save time using the quick change system on disposable or cloth curtains.

10. **Option to add our state-of-the-art inventory management solution.** Scan a code and let technology take over.

- Know when and where curtains need to be changed
- Pull reports
- Monitor inventory

We partner with you to integrate seamlessly with your existing systems and can customize your user experience.
